Court orders driver, owner to pay Rs42.7m to heirs of man killed by dumper in 2017

By Sumair Abdullah

KARACHI: A senior civil judge has directed the owner of a garbage truck and its driver to jointly pay a total of Rs42.7 million in compensation to the legal heirs of a 31-year-old man, who died after his motorcycle was crushed by the dumper truck in North Karachi in 2017.

Initially, the legal heirs of deceased Umar Yaseen had filed a civil suit through their counsel before the Sindh High Court; however, it was later transferred to Senior Civil Judge (South) Sheikh Abbas Mehdi at the stage of final arguments in March in consequent of the Sindh Civil Courts (Amendment) Act, 2025.

The suit had sought compensation under the Fatal Accidents Act, 1855, from the defendants, including the owner of the truck — M/s Nisar Jan & Co — its driver and others, over the death of Umar due to the negligence by the defendants.

After examining the evidence and hearing arguments from all sides, the court directed the owner of the truck and its driver to jointly pay Rs42.7 million (Rs42,762,959) in compensation to the legal heirs of the deceased, along with a 10 per cent mark-up from the date of institution of the suit till realisation of the amount.

The court, however, dismissed the suit against the remaining four defendants under the Fatal Accidents Act, 1855.

"It is well established principle that loss of human life cannot be measured in terms of coins, however, the Fatal Accident Act, 1855 was enacted to provide compensation to the bereaved families for loss occasioned by the death of a person caused by actionable wrong. According to the preamble of the Act, 1855, the said law was enacted to provide compensation to families for loss occasioned by the death of a person caused by actionable wrongs since no action or suit was then maintainable in any court against a person who by his wrongful act, neglect or default, may have caused the death of another person, and it was considered expedient that the wrongdoer in such case be made answerable through damages for the injury so caused by him," the court observed.

According to the counsel for the plaintiffs, on the day of the incident, deceased Umar Yaseen along with his friend, Gayazuddin, was riding a motorcycle in the North Karachi area when truck driver Daniel Masih, driving recklessly and negligently, hit the motorcycle from behind. As a result, Umar was killed while his friend sustained injuries.

Later, a case was registered against the driver under the relevant provisions of the Pakistan Penal Code; however, a court concerned exonerated him from the charges for want of evidence.

"It is well-established that exoneration of defendant No.6 [the driver] from the charge in a criminal case is not of any relevance while determining civil liability of the defendant," the court noted.

Body formed by CM told to inspect zoo animals' health tomorrow

KARACHI: The Sindh High Court on Friday directed a committee, constituted by the chief minister for the shifting of female bear Rano, to visit the Karachi Zoological Gardens (Karachi Zoo) on Sunday (tomorrow) to examine the physical and mental health of all the animals.

A two-judge bench comprising Justice Muhammad Iqbal Kalhoro and Justice Syed Fiaz-ul-Hassan Shah also ordered the committee to specially inspect the health of the lone brown bear Rano for her shifting to a sanctuary in Islamabad.

The bench was hearing a petition filed for the relocation of Rano and the SHC had twice ordered the Karachi Metropolitan Corporation (KMC) and others to relocate Rano to the bear sanctuary under the Islamabad Wildlife Management Board.

On Friday, the bench took up for hearing an application filed by the counsel for the petitioner, seeking an urgent hearing of the petition.

The lawyer, Muhammad Jibran Nasir, submitted that the order passed by the bench on Oct 17 had not been complied with by the respondents, so much so that the visit of the committee had not been scheduled yet.

He also argued that even the proposed cage to be placed in the enclosure of Rano to lure the animal into it for transportation purposes had not been placed.

The counsel further maintained that he has written letters to the KMC and other respondents for scheduling the visit of the committee, but to no avail.

The bench in its order said, "With the consent of learned AAG [assistant advocate general], we fix 02.11.2025 as a date for visit by the committee constituted in terms of order dated 17.10.2025 to visit the brown bear and other animals to ascertain their physical and mental health, specially of brown bear for the shifting of which to Islamabad this petition has been filed. Matter is already fixed on 06.11.2025 and be taken upon the same date".

On Oct 17, the SHC had ordered the committee to visit the Karachi Zoo along with the petitioner Jude Allen Pereira, his counsel, Dr Nazeer Hussain Kalhoro from Sindh Institute of Animal Health and wildlife photographer Zafar Shaikh in the first instance and prepare a detailed report about number of animals being kept at the zoo as well as physical and mental health of such animals.

It had also directed the KMC and others to shift Rano to a sanctuary in the federal capital in two weeks as authorities sought more time for the relocation of the brown bear.

The SHC further noted that since the issue was not of one bear but hundreds of animals being kept in captivity, apparently just for the entertainment of people, the court has decided to examine the whole concept of keeping zoos and caging animals.

It directed that the committee would also examine the circumstances under which these animals were being kept and also put a federal law officer on notice, asking him to file a report on the subject matter after liaising with the Ministry of Climate Change. —By Ishaq Tanoli

City Council members reject traffic fines

Continued from Page 13

Karachi was singled out for the implementation of e-challan system.

He also asked as to why no action was taken against dumper mafia, claiming that the provincial authorities were involved in the menace.

Justifying the government decision, PPP member Najmi Alam said that the results of the new e-challan system were now visible at least on Sharea Faisal as people had started abiding by the traffic laws.

While the debate on the resolution against the e-challan was still continuing with an opposition member speaking on it, the deputy mayor adjourned the session to a date to be announced later.

Meanwhile, a resolution passed by a majority vote allowed the KMC to name the Karimabad underpass after PPP leader Dr Asim Hussain in recognition of "his personal interest and efforts in the project".

It also asked KMC to invite Dr Asim Hussain or his representative to the inauguration ceremony to publicly acknowledge his contributions.

Similarly, the overhead bridge on Khalid Bin Waleed Road was approved to be named after the late Muhammad Umar Jat, former PPP District Malir President and former Nazim of Bin Qasim Town.

Other resolutions included approval of the improvement/restoration plan for Jehangir Road, the rehabilitation of the storm-water drain from Gurumandir to Teen Hatti, the construction of the Natha Khan Bridge Grade & Link Road from Sharea Faisal to Habib University, land utilisation plans for Khaleelabad and Bilalabad, the upgradation of posts of Chief Fire Officer, Team Leader/Commander, and Deputy Chief Fire Officer in the KMC Fire Brigade and USAR Department, and recommendations for upgrading operational staff positions in the Fire Brigade Department.

At the outset of the proceeding, a condolence resolution was unanimously adopted to condole the demise of former Speaker of Sindh Assembly Agha Siraj Durrani.

Another resolution, passed unanimously, strongly condemned India's illegal occupation of Kashmir and expressed solidarity with the Kashmiri people.
